The background is a textured, light brown paper. In the center, the word "ani" is written in a large, elegant, black serif font. Below it, "by Chef Izzy" is written in a smaller, black, cursive script. The scene is framed by delicate line art of vines and leaves. In the upper left, a large, faint moon is visible. In the lower right, a girl with long hair, wearing a dress, stands on a tall mushroom. In the lower left, a boy wearing a top hat and a coat stands near a mushroom. The overall style is whimsical and artistic.
